

Aperitivo deli board

Each board is expertly paired with the perfect sides: crunchy bites as taralli and grissini, spreadable pâté, pickles, chutney and dried fruits.

Choose between our classic or premium options

We handpick 3 delicious cheeses and 3 types of charcuterie: our **classic** consist of traditional cheeses from our counter and a wise mix of Italian charcuterie.

Our **premium** is perfect if you are a real gourmet or just want a top-notch experience. The finest finds, such as confit cherry tomatoes in extra virgin olive oil, truffle prosciutto, Roquefort from Aveyron: trust us, we have just the best!

Alternatively, feel free to opt for an all-cheese or all-charchuterie board.

No compromise on quality!
